

# I'm Blue

© 2009 by R. Bowdon

*Key of A, 12 bar blues, RDB capo G2A D harp*

*Jim: Acoustic or Electric*

*intro = harp break on verse*

A7

I'm blue .... If you were me you would be too

D7

Listen what I'm telling you / I'm blue ....

A7

Please believe me when I say I'm blue blue blue

E7

When I die it won't be long

D7

A7

I know you'll forget this song / I'm blue ....

*break*

I'm sad .... When I think of what we had

Darlin' girl it drives me mad / I'm sad ....

Please believe me when I say I'm sad sad sad

Only God knows how I feel

I swear to God this pain is real / I'm sad ....

*break*

I'm gone gone gone gone gone .... Put me in your deepest freeze

Cool me down to ten degrees / I'm gone ....

Please believe me when I say I'm gone gone gone

Tie that tag around my toe

Put me in the ground so slow / I'm gone ....

*outro = last two lines of first verse*

i said When I die it won't be long

I'm sure you'll forget this song / I'm blue ....

*Stop playing at last "blue", hold the note/chord*
