*key of E, Jim: Electric, bass in at MAN...*

*Intro: (twice)*

E7 G7/E A7/E G7/E E7

E7 G7/E A7/E G7/E E7  
His parents both say he was born that way  
E7 G7/E A7/E G7/E E7  
And it must have been a voodoo spell  
A7 C7/A D7/A C7/A A7  
Don't call it a gift from heaven above  
E7 G7/E A7/E G7/E E7  
He considers it a curse from hell  
B7 C7 B7  
It's the power he has over women  
A7 D7/A  
They never even know he's there (hold the note)  
E7 G7/E A7/E  
He's the invisible man  
G7/E E7 G7/E A7/E G7/E E7  
the invisible man

He can make them see right through him  
He can make 'em feel nothing at all  
He can make 'em keep staring straight ahead  
As they pass him in the hall  
Of the fact of his existence / they're blissfully unaware  
of the invisible man / the invisible man

*guitar break X 2*

*bass break X 2*

*come out of bass break with two extra measures of E, building into vocal*

So ladies look around 'cause he's in your town  
Won't you help him break the voodoo curse  
He's a pretty nice guy only quiet and shy  
And I promise you you could do worse  
Won't you take a chance / on a new romance  
And maybe you will fall in love

E7  
With the invisible man / the invisible man

*Outro*

E7 G7/E A7/E G7/E E7  
His parents both say he was born that way  
E7 G7/E A7/E  
And it must have been a voodoo spell
