Intro

I'm a long way from my home my friend

It's a long time I've been gone

It ain't true you can't go home again

You just can't stay very long

When those bastards set me up my friend

Yeah they really played it cool

Cause they knew I'd get no sympathy

Who feels sorry for a fool?

Bridge

I'm / paled on the arrow of time

I wouldn't know what a smart

move was if I shook its hand, my friend

I / don't want your pity I hate

Pity and envy and greed

Especially envy and greed

Verse break then 2nd bridge

Not / so long ago I was young

Handsome and brimming with dreams

How could I be so naïve, my friend

Don't / ever say God doesn't have

A good sense of humor a real

Practical joker in robes

Take a bottle from the shelf my friend

Pour a round for one and all

When you miss your chance at destiny

You don't get another call

I'm a long way from my home my friend

It's a long time I've been gone

It ain't true you can't go home again

You just can't stay very long
