Db Gb Db Ab
From your house you see the ocean / Waves that crash and break
Db Db7 Gb Db Ab7 Db
Like those waves my heart is breaking / Scattered in your wake

Out of sight is out of mind / a saying trite but true

Db Db7 Gb Db Ab7 Db B7

Pavin' the road / pavin' the road / pavin' the road to hell
A prisoner of many mere conventions
I don't know any secrets but if I did I wouldn't tell
And I'm paving the road to hell with good intentions
I want to thank the folks who sent me on this rough and rocky road
With a truck full of their inhibitions
My engine's stayin' in the lower gears cause I'm carryin' a heavy load
Just pavin' the road to hell with good intentions

In your house of lost ambition / Silence ebbs and flows
From that cold and lonely fortress / No one comes or goes
Don't you ever / wish you'd never / left me to my fate?
You belong down here with me / I swear it's not too late
From your house you see the ocean / Waves that crash and break
Like those waves my heart is breaking / Scattered in your wake
